CDA BIDs Invited to Discuss District Homelessness Trends and Approaches

Agenda and Speakers Finalized for District Homeless Trends and Action Forum

As a follow-up to our recent message, the detailed [Agenda](#) for the **CDA Homeless Policy Forum** has been finalized, featuring a host of informative and expert speakers from throughout the state to help BIDs lead the way on homelessness action and issues.

Thanks to sponsorship by **Streetplus**, the Forum is very affordable. You are encouraged to bring BID staff and board members!

Event Details:

Date: Thursday **July** 30, 2015

Time: 10 a.m. to 4 p.m.

Location: The Concourse Hotel at Los Angeles International Airport, 6225 W. Century Boulevard, Los

Angeles CA 90045

Fee: \$35, includes lunch

Parking on-site: Valet = \$20; Self = \$14

The impetus for this forum is recognition that as a BID community we are often on the front lines of directly dealing with homelessness issues in our districts. However, we tend to be reactive when fighting ineffective and potentially detrimental legislation to remedy conditions.

Now we have a great opportunity to lead on this issue by coming together and learning about related trends and activities, and perhaps to adopt approaches that will benefit our districts and contribute toward ending homelessness.

During this one day session, we will learn about and discuss:

- What are the key trends in homelessness throughout the state in the wake of the official homeless count conducted in January 2015?
- What factors are contributing to the changing nature of homelessness in California?
- How does (lack of) housing affordability contribute to rising homelessness?
- How have changes in our criminal justice laws and how "re-entry" from jail or prison may be impacting communities?
- What are the trends in mental health policy and reform proposals that can assist individuals who need treatment?
- How are individual BIDs impacted by and what actions are they taking to address the issues?
- In what ways can business districts be constructive in policy development and systems change?
